2017 – A Year for Spiritual Advance: *We are now presenting a challenging subject of “THE DANGER OF NOT KNOWING.” We do not want to remain without the knowledge of God’s Word and the ability to properly apply so that we can be victorious believers. We live in a day where believers must be more in tune with God and His marvelous plan. We must know that at salvation, God allocates to each believer an attaché of unseen assets for time and eternity. These assets are known to Him and not to us, but He desires for us to enjoy these blessings if our maturity is such that we can be the recipients without being ruined. These assets, unseen by us, will remain undelivered if we remain “NOT KNOWING.” Let us not miss what God has in store for us.*
