[Session 1 Bible Study Audio](#)     Bulletin Insert: [The Lord's Supper](#)

We left Jeremiah last week, as he was crying bitterly outside the rubble of the city of Jerusalem. He is heartbroken at the horrors of the siege; in [Lamentations 2:11, 12, 19](#), and now in Chapter 4, he hears the cries of starving children. In [Lamentations 4:10](#) are the horrors of starvation leading to cannibalism of babies. Even after this, the city was eventually rebuilt, and by Jesus' day, had again become a great and powerful city, only to be destroyed again by the armies of the Roman Empire in 70 AD.
