

# Alive, but Dead

When is a Church in danger of death?

1. When it begins to worship its own past or history, reputation or name.
2. When more concerned with forms than function and life.
3. When more concerned with numbers and noses than Spiritual quality.
4. When more involved with management than ministry.
5. When she becomes a Mega-Church with mega bucks, mega-shows, mega-entertainment.
6. When she becomes a “Cathedral of Consumption” to feed the consumers’ appetites with attractive programs – music, drama, travel, activities. Revelation 3:2; 3 says: *“Become Awake, Stay Awake.” “Remember, hold fast, repent, advance – or the THIEF (DISCIPLINE) will catch you off guard”*.
