Bronze – Related to Divine Judgment in the Bible

BRONZE (Taken from our 2015 Topical Study: *Wrath*)

I. The word *bronze* was used for bad decisions in Isaiah 48:4 (mulish, inflexible, unyielding, stubborn, unbending, obstinate).
II. In Deuteronomy 28:23-25 it was used for disaster in a national economy.
III. In Lamentations 3:6-8 *bronze* is used to express judgment in the fifth cycle of discipline (recall the study of the Five Cycles of Discipline).
IV. In II Kings 25:7 the word is used to express divine judgment on believers living in Satan's sphere of power.
V. Leviticus 26:19 also presents bronze as related to discipline.
