

Echo Zone Peak

THE PEAK OF ECHO MOUNTAIN IS NOT ONLY
WORTHWHILE BUT IS THE MOST VALUABLE POSSESSION OF LIFE!
HOW DO YOU GET TO THE MOUNTAIN PEAK?
YOU GET THERE BY SPIRITUAL FOOD RESIDING IN THE SOUL (DAILY)!
WHEN YOU GET THERE, YOUR SPIRITUAL CAPACITY WILL BE ENLARGED.

GOD'S RICHES

The Greek word “ploutos- πλουτός means wealth, riches, possessions, abundance of benefits.

1. In Heaven, there will be far more blessings than materialistic blessings, but while we are on earth, God desires to bless the mature believers with success, promotion, wealth, and in fact an abundance of benefits.
2. When a believer stays with God's plan, is perceptive to the Word of God, and is consistent in the intake of SF (Spiritual Food), he will have an enlarged capacity, which makes it possible for God to rain, pour, douse him/her with material and physical blessings, and yet not ruin him/her.
3. The money situation is no effort for God – but capacity on the believer's part is always the problem.

Echo Zone Peak (Continued)

4. God owns all the cattle on a thousand hills and desires to herd a large number of those on to your spiritual ranch. [Psalm 50:10-12](#).
5. The source of all wealth is God – and God has all these things with no place to put them since so many believers are sloppy, indifferent and too filled with selfish desires to be consistent enough, disciplined enough to advance to the top of the Grace Abounding Mountain Peak and have the capacity to receive God’s Riches (Ploutos – πλουτός)
6. The Christian Way of Life (CWL) is receiving Spiritual Food (SF), and advancing to maturity and beyond, gaining Capacity for Life (CFL) and then being the recipient of God’s pouring.
7. God is not on starvation row and there is nothing spiritual about believers “suffering (so called) for Jesus.” When there is capacity, there will be BLESSINGS. There is no starvation in God’s Essence. There is no poverty in God’s attributes.
8. Not every Mountain Peak Believer (MPB-EZB) will be a multi-millionaire, but God desires to pour out blessings upon those who have capacity to properly receive. There will be many variations – but all of them will be great.
