

Ephesians 1:22 (Exegetical)

God's Plan in this verse reveals Footstool Operation and relates it to the Church Age. *"and hath put"* is a military word in the original language for subordination. The gnomic Aor. (AAI of ὑποτάσσω) reveals that demons will be under Christ because of the incarnation. The active voice shows that the subject – the LJC produces the action. It was and is God's plan for Jesus Christ to RULE. The indicative mood presents the reality. *"under his feet"* ὑπὸ τοὺς πόδας αὐτοῦ a foot doctor is a podiatrist.

"and gave Him" AAI of διδῶμι God the Father gave God the Son authority to be the HEAD (κεφαλὴν). Authority – note here specific words related to the authority of the Lord Jesus Christ – prep – ὑπέρ OVER AND ABOVE and the prep. ὑπό under – He is the ruler, controller, leader BUT also the sustainer and supplier. *"with reference to the Church"* and the word Church – is the dative of advantage. GOD NOT ONLY HAS YOU AND ME, AS BELIEVERS IN THE LORD JESUS CHRIST IN FULL TIME SERVICE, BUT IS PROVIDING EVERYTHING THAT IS NEEDED FOR US TO HAVE VICTORY, JOY, PEACE, & SECURITY.
