### EPHESIANS 3:14 (Exegetical)

1. Check some powerful words in this verse: Father – πατέρα (PATERA) and *PROS* – face-to-face with the Father
2. To be a member of Royalty you must be born from above – again!
3. God is the Father
4. Vs. 15 uses the word πατέρα – the Father’s family – fatherhood – the Father’s clan.
5. The Father communicates to His children through the Bible.
6. We communicate with Him through prayer.
7. Our relationship is dependent upon His thinking, and not our words in prayer.
8. True prayer is the result of *His* thinking becoming *our* thinking. When we know what He says, then what we say is compatible.
9. Our relationship makes prayer effective – also witnessing and giving.
10. There must be something in the soul before the relationship can be enjoyed.
