

Ephesians 3:5 - Summary

In this verse we have the answer to the Question: “What is the mystery?” and “Who is to share it?” This is the period of time from Pentecost to the Rapture. *“Which in other times (dispensations – periods of time) not revealed to the sons of men, but now revealed to the prophets and the future apostles.”* This is saying that this information had to be entered into the canon of scripture before the ministers could have it to present. We now have the New Testament epistles and pastors who are responsible to present this great information so that believers can be properly related to the plan of God. The epistles were written by apostles under the inspiration of the Holy Spirit. (Two Great Subjects: Apostleship and Inspiration)
