

Ephesians 4:4 (Exegetical)

1. Some outstanding words are found in this verse.
 - 1) Called
 - 2) Hope
2. The word “*Called*” is the API of καλέω. The Aorist is a Gnostic Aorist for that which is fixed – axiomatic, certain – (Christ – elected – fixed – our calling is in *HIM!*) God’s original plan was for there to be no other Savior than the Lord Jesus Christ. Pass. Voice – we are the recipients of that choice. *WE RECEIVE THAT WHICH WE CANNOT ACCOMPLISH FOR OURSELVES.* Salvation is God’s Plan and execution. The Ind. Mood is the mood of *REALITY!*
3. The word “*HOPE*” is *elpis* – ἐλπίς The word means confidence – confident expectation. A permanent knowledge of a Total Sufficient Transaction.
