

## Ephesians 4:7 (Exegetical)

1. This verse presents after-salvation provisions.
2. Each believer receives the full and complete divine provision of abundance at spiritual birth. The spiritual bank account is loaded and is there to be received by a perceptive believer.
3. These ample provisions are strictly provided by GRACE and not based on any human merit or energy of the flesh activity.
4. “....*given according to the measure*” (metron – μέτρον) of the Lord Jesus Christ, provided for us before birth while enemies and now for us, as members of royalty.
5. God desires that every Christian have a fruitful, abundant, victorious life and this we call the GAL – Grace Abounding Life.
6. “....*of the gift of the Christ.*” [Romans 5](#) – presents the Lord as the greatest Gift and the greatest GIVER.
