

Satanic Entanglement – Evil Gaining Ground

PROVERBS 16:6

1. Evil originated in angelic creation in the greatest creature to ever come from the hand of God.
2. Evil originated and existed before human history.
3. The origin of evil is Satan's genius to devise a system to oppose God.
4. There is a cosmic system and Satan controls many Christians through that system.
5. Satan's plans always look good to the spiritually illiterate.
6. Evil (satanic thinking) can only be destroyed by functioning inside the plan of God (See [Divine Power Sphere Diagram](#) – functioning inside this power sphere *is* functioning inside of God's plan!).
7. Evil attempts to produce a human panacea to solve world problems. This is the distortion of God's Word.
8. Evil produces erroneous concepts of "brotherly love". The whole idea of government trying to abolish sickness, mental illness, economic problems, frustrations, and human problems by legislation and human solutions, is *EVIL*.
9. The world's problems can never be solved apart from Biblical truths saturating the souls of born again believers and an understanding and application of the laws of divine establishment.
10. Inner happiness and evil cannot coexist. Satan desires that we as believers drop our guard and go negative to God and His Word. Prov. 1:33 – *"He who listens to me shall live in security, and shall be at ease without fear of evil"*. Prov. 16:6 – *"By occupation with the Lord, one avoids EVIL"*.
