

## Evil or the Word

1. Believers are commanded to be influenced by Truth, God's Word, and not Evil. *"Be not imitators of Evil – but Good. The one doing Absolute Good is out from the source of God; the one doing Evil has not seen the God (no word)."* [3 John 11](#)

## Evil or the Word (Continued)

4. On the cross the Lord Jesus Christ rejected satanic thinking. Sin was judged and paid for but evil was not.
5. Both sin and Evil have their sources in Satan but have different sources in the soul. The source of *temptation* is our *sinful nature*, but the source of sin is the *volition*. The source of *Evil* is continual *rejection of God's thinking*; it is accepting the genius of Satan and rejecting the genius of God.
6. A mature believer, one residing inside the Divine Dynasphere, can know the difference between the brilliance of Satan and the manifestation of God's love and Grace by the Word. The mature believer hears and heeds the Word of God so as to distinguish between sin and Evil.
7. We are either influenced by God's good (αγαθησ), or Evil (Satan's thinking – κακοσ).

**Prov. 11:18-19** *"The Evil person earns wages of deception, but to him that resides in God's sphere of power there is reward."* A perceptive life leads to an abundant life. A pursuer of Evil is pursuing the Sin unto Death.

**Prov. 14:22** *"Will they not go astray who devise Evil? But Grace and Truth (God's message) shall be to them that devise good (God's good)."*

**Prov. 15:3** *"The eyes of the Lord are in every place (omnipresence) beholding (omniscience) the Evil and the Good."*

**Prov. 22:3** *"A wise believer (residing in truth / divine dynasphere) sees the Evil and hides himself; but the simple (ignorant, stupid) goes into the Evil and is punished by it."*

**Eph. 5:16** *"Redeem the time for the days are Evil."*

**Rom. 12:21** *"Be not conquered (overcome) by the Evil, but conquer (overcome) Evil by the Absolute Good."*
