

# God's System of Learning – GSL

[EPHESIANS 1:18](#); [ROMANS 15:4](#)

- I. Our Lord has a magnificent system for every born again follower of the Lord Jesus Christ to know and understand the plan of God.
- II. The word “Perception” describes that which is essential for a believer to move from a baby believer to an advanced believer.
- III. The word “Perception” means that the believer has a hunger, a desire to love the LJC pre-eminently and become saturated with the mind of Jesus Christ. ([Phil. 2:5](#))
- IV. The Grace of God makes it possible for each believer to leave spiritual baby-hood ([1 Cor. 3:1-3](#) – study) and become spiritually advanced.
  - No two people have the same IQ. Some are smart and know it. Some are not smart and know it. Some who are not smart think they are smart.
  - Since no two people have the same abilities – same IQ, same back ground, same strengths and weaknesses. All of this about each one of us did not take God by surprise.
  - God has taken care of that and given us a system of learning. We must learn that:
    1. Living the Christian life is a human impossibility.
    2. We must all realize that we have an Old Sinful Nature.
    3. We must know that the sinful nature has trends. Two major ones with many different manifestations.
      - Lasciviousness
      - Asceticism
- V. WE MUST KNOW THAT THERE IS A DIFFERENCE BETWEEN HUMAN AND SPIRITUAL IQ.
  1. If a person has the case of the “smarts” he will never learn the Word of God because the Word of God is Spiritual Phenomena.

## God's System of Learning - GSL (Continued)

2. A person can be illiterate and from his human ability not learn the Word. WHO-THEN-CAN LEARN? EITHER an illiterate or an intelligent – the one depending on PERCEPTION AND THE FILLING OF THE HOLY SPIRIT.

- What a person learns by Spiritual IQ is food for the soul.
- What a person learns by Human IQ is NOT food for the soul. IT COULD CAUSE A SPIRITUAL CANCER. When a person is growing spiritually it will assist in the mentality, even in the technical field. *BEING A STRONG PERSON IN THE WORD WILL MAKE A PERSON A BETTER STUDENT, WIFE, HUSBAND, TEACHER AND DAY LABORER.*

[I Cor. 2:1-16](#)

VI. SPIRITUAL IQ IS THE AMOUNT OF GOD'S TRUTH STORED IN THE INNER MOST BEING (HUMAN SPIRIT). The Hebrew word is CHAKMAN and the Greek word is EPIGNOSIS.
