

Introduction to Ephesians 3:10

1. Part of the mystery concept of the church age is the resolving of the angelic conflict by the Royal Priesthood.
2. The church is used to make known to fallen angels the validity of divine judgment on Satan and his imps in the angelic realm.
3. The Angels learn that God's wisdom has many sides. This wisdom of God is learned by angels through the church.
4. The church is also a powerful part of Operation Footstool.
5. The church will be teaching fallen angels in the future that they and Satan would be removed at the time of the Second Coming, when the Kingdom would be established.

* * * * *

1. God's Wisdom has many facets.
2. We should never conclude that our learning has consummated.
3. God's Wisdom is multifarious, having many different parts, and having great variety.
4. To begin to see, understand or comprehend this wisdom, the believer must get to the mountain peak of the EZ.
5. An illustration is fitting at this point. "Multifarious Wisdom is manifested in the life of Abraham." In the 13 years between Genesis 16 and 17 God revolutionized the life of this man.
 - We see God's wisdom and humor are revealed.
 - This man is 99 years old with no potency.
 - He did not receive a RING. He received a NEW MOTOR!
 - Everything that did not work in Genesis 16 worked in Genesis 17.
 - There we see the power, wisdom and humor of our Heavenly Father. Does that mean that it takes the believer 13 years to get to the Apex? No we have the MYSTERY MEAL – BUT we also have the conflict of all ages.
 - A serious student with academic discipline and daily intake can reach Echo Mountain in probably 2 – 5 years or less.

Introduction to Ephesians 3:10 (Continued)

6. Sophia – σοφία is the Greek noun which means “insight,” “vertical viewpoint,” “seeing from a divine perspective.”
7. Since God is Omniscient – knows all. He is certainly impressed when we are saturated with HIM.
8. He is impressed with WW – workable word in us.
9. “Principalities and Powers” refers to Angels. “Rulers” ἀρχή = Highest Rank-which would be the highest authority of fallen angels or demon officers. Authorities is the word ἐξουσία = Not power but a commissioned officer.
10. These two refer to demon leadership under Satan’s control. “Demon rulers and Authorities” moving in the heavenlies which has to refer to the 3rd Heaven or the abode of God. This must mean that the earth is the battleground for the conflict of the ages – BUT it also must reveal that Heaven is involved in this Conflict.
