

Jesus Christ the Cornerstone

[EPHESIANS 2:20-22](#)

- In ancient times, the cornerstone was the stone at the corner of two walls that united them. It was the visible corner of the foundation of the building and the starting point of all future building above the foundation. It was the most costly stone because of its beauty and strength. It was also the largest, most solid and carefully constructed stone. To cast aside the cornerstone would be to resist any future building on that foundation. The Cornerstone was the place where the building was joined and also the place where it rested.
- [Isaiah 28:16](#): So this is what the Sovereign LORD says: “See, I lay a stone in Zion, a tested stone, a precious cornerstone for a sure foundation; the one that trusts will never be dismayed.
- In light of Old Testament, church is fulfillment of bible prophecy. It was God’s plan.
