H.George Mueller

Sept. 2016

Dear Friends!

On Wednesday, April 13, 2016, I was on my way on I10 to Berachah Church for prayer meeting and Bible Class. Driving our son Peter's Dodge and keeping the Speedlimit of 65 MPH, I suddenly was rammed by a racer doing around 85 MPH. Peter's Dodge flew through the air and was stopped by the I10 dividing concrete wall. I still could open the driver's side door. Besides some bruises, I was fine. Peter was happy that a police man witnessed the accident and made the racer and his insurance responsible. I ended up in Hermann Hospital for some weeks.

Since May 19 we were staying at the Copperfield Estates, where I received physical therapy. We also lived with some 100 plus retirement people. Some were quite open for the Gospel and Bible Doctrine. Martin brought a large box with T. & P. literature. August 18, 2016, we moved back to Peter's farm in Brookshire, where we also shall vote this year. At the retirement center we leave behind 2 positive believers, Woody and Sarah. They established a morning prayer meeting for our country in great conflict.

Here in Brookshire area we have met quite a number of believers in Jesus Christ. A local DVD Bible Study group would be very effective. Pastor Orlando has opened his place. It is in the middle of town with very good parking space. A number of believers here are looking forward to the local Bible studies as soon as possible.

T. & P. Translations for Germany, Hungary and Romania are very much appreciated. Reprints were arranged for.

From Cameroon, Africa we have good news. The Upper Room Fellowship in Belo communicates the Mind of Christ. They meet 4 times per week. Eric's place in Fili also has regular meetings. The children and their parents enjoy the additional veranda space. It certainly opened up the whole village for the Lord. Our Kom Bible Translations are used and appreciated.

This I recall to my mind, Therefore I have hope. The Lord's lovingkindness indeed never cease, For His compassion never fail. They are new every morning; Great is your faithfulness. Lamentation 3:21-23.

H.George and Erika P.O. Box 330, Pattison, Texas 77466

*Special greetings to our special friends in Baytown.
We received your generous gift.
Thank you! George + Erika.*
