

Principles of Witnessing

Effective Soul Winning

1. Give the unbeliever information pertinent to salvation.
2. Do not try to get the unbeliever to “live” the Christian life before he is saved. [John 3:36](#)
3. Declare the good news – Christ died for us! [Isaiah 53:9](#)
4. Do not add to the Gospel with “musts” such as Church Membership, no smoking, no drinking, works, etc.
5. Provide information and let the Holy Spirit do His work.
6. Never ask the unbeliever to give money to religious causes.
7. Remember that witnessing cannot be accomplished in the energy of the flesh.
8. Some hazards of pitfalls:
 - To engage in debate
 - Being distracted by side issues
 - Dealing with groups rather than the individual
 - Not being open or sensitive to the Holy Spirit’s direction
9. Know the gospel and be filled with the Holy Spirit!
