

Revelation 3:2 Notes

1. In this verse we have the answer to the believer on the wrong road.
2. We have two major, important verbs, known as a *periphrastic*, meaning *a construction of two words* – Here it is: *WATCHFUL* and *STRENGTHEN* – Become watchful – *GINOMAI* – γίνομαι – Present middle imperative for *GINOMAI*, and *STERIZO* – στηρίζω
3. *Watchful* means *ATTENTIVE* – Alert, perceptive, enthusiastic, and consistent.
4. The word *strengthen* means to be stabilized.
5. First, we have a command to the congregation to *be attentive* – then we have a message to the pastor *to keep on stabilizing*.
