

## Important Coronavirus (COVID-19) Update from Grace Bible Church Baytown

Grace Bible Church Baytown will always be mindful of the needs and best interests of the community we are so blessed to share here in Baytown, Texas. As the Coronavirus continues to spread through our communities nationwide, we must be alert to the situation as it continues to evolve. We will be mindful of our responsibilities to our community throughout this difficult time, especially to be cooperative with local, state and federal officials as they grapple with this challenging situation, all while never compromising the Grace of God, our attitude of grace toward our community and the world at large. We must continue in our mission to faithfully proclaim the truth of God's Word, both locally and around the world, so that those who don't know Christ might be saved, and so believers who have accepted Him may grow and mature in the richness of His matchless Grace. With these principals in mind, we are taking the following actions until they are no longer warranted or necessary.

To comply with President Trump's request to not have a meeting of more than 10 people, our church staff and leadership have agreed to suspend in-person Bible classes until further notice. To continue the faithful delivery of God's Word to our congregation and to those throughout the world who depend on it, the following steps are being taken and implemented:

- Until further notice, services will not be held in person at the church, and all our congregation has been asked not to come to our church campus for services.
- Messages will be recorded by essential staff, and posted on the Church website [GraceBibleChurchBaytown.org](http://GraceBibleChurchBaytown.org) as soon as possible after recording, in accordance with our normal procedure.
- Anyone needing help accessing the church website or being able to hear the messages should contact us with any questions, and we encourage our local congregation to contact any of our Church leadership directly when they have need. We will dispatch the necessary assistance as necessary.

We are extremely grateful to all our wonderful church family for your patience as we work through this trying time together.
